

A letter to our Preschool families for JANUARY

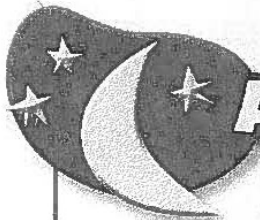

Ideas for Busy Families

On the Move

In this unit, your child is learning about neighborhoods.

- Point out places in your neighborhood such as schools, parks, and firehouses. Talk about the purpose and use of each place to help your child understand a neighborhood.
- As you pass by each neighborhood place, talk about your experiences with it. Then invite your child to share his or her experiences and opinions about the place.

At Bath and Bed Time

In this unit, your child is learning all about different neighborhoods.

- Before bed time, look through books that show different neighborhoods with your child. Talk about how they are the same and different.
- Then invite your child to talk about what he or she likes best about each neighborhood you review. Ask your child what he or she likes about your neighborhood.
