

# A letter to our Preschool families for OCTOBER

## Ideas for Busy Families

### In the Kitchen

In this unit, your child is learning about the importance of working together as friends.

- Invite your child to join you in the kitchen to help you make a simple snack or help you with an easy chore. As you work together, talk about the importance of teamwork and learning from each other.
- You may wish to use a cooking or baking experience to teach your child the importance of following directions and working together.

### On the Move

In this unit, your child is learning about clothing words.

- Talk with your child about the clothing he or she is wearing. Encourage your child to use words such as *hat*, *sweater*, *shirt*, *pants*, and *shoes*. This will help your child to build his or her vocabulary of clothing words.
- As you move about your neighborhood and town, point out clothing in the environment, such as in store windows and advertisements. Use clothing words to describe these items.
