

Play Centers, Inc. / Play and Learn
"Your First Choice for Quality Child Care and Education"
in Anne Arundel County, Baltimore City,
and Baltimore County

School-Age Sick Child Policy

In the best interests of your child and the other children in our care, should we notice symptoms of illness in your child while they are in the Play Centers' program, you will receive a phone call requesting that you make arrangements to pick them up within 60 minutes.

Symptoms of illness include, but are not limited to:

a fever of 100.4 degrees or higher, vomiting, and/or diarrhea.

Your child must remain symptom free without medicine for 24 hours before he/she may return to the center. In addition, some illnesses will require a doctor's note clearing your child to return to care.

We apologize for any inconvenience that this may cause; however, we must all respond immediately and appropriately in order to help prevent the spread of illness in the center, and to allow time for rest and healing.

Thank you in advance for your understanding!

_____ I have read, understand, and will abide by Play Centers' *Sick Child Policy*.
