"Your First Choice for Quality Child Care and Education"

Permission to Participate in School-Sponsored Clubs / Activities / Events or Recreational Activities

Dear Parents,

There may be times when you will choose for your child to leave the Before or After School Program to participate in school-sponsored clubs, activities, events or recreational activities.

Although Play Centers will prepare your child for going to that activity, staff/child ratio requirements prevent us from physically delivering children to these activities. Play Centers requests that your child sign in to our program and then be dismissed by a Play Centers' staff person to go to the special activity.

If your child is to return to the Play Centers' program following the special activity, please note that staff/child ratio requirements prevent us from picking children up from these activities, and that Play Centers' Staff will not supervise your child's return to our program.

Please be advised that neither Play Centers, Inc., nor its staff, can be held responsible for any accident or injury that occurs to your child when traveling to, from, or during the listed activity.

Please be aware that, due to safety concerns, children who are registered in a Play Centers' program are not permitted to assist teachers or other school personnel, even with parent permission, during those times when they are registered to be in Play Centers. We apologize for any inconvenience this may cause.
